- Achieved 3rd rank in WALL-E event at CELESTA-2013(a techno-management fest of IIT Patna).

Projects and Work Experience:

- **Information Hub:**

(Mentor: Dr. Samrat Mandal, IIT Patna)

A website developed for the following purposes:

- Resource sharing management
- Faculty leave management
- Student attendance management
- Grading System management

[2014-15]

This project improved my thinking level in C#.NET error handling. There were so many tools such as Visual-Studio, dbms, CSS, C#, JavaScript etc which were used in this project.

- **Tiny 4-bit CPU:**

(Mentor: Dr. Somnath Tripathi, IIT Patna)

- The objective of this project was to implement arithmetic (+,-) and logical (&,[, ~) computation of binary numbers.
- This project made me comfortable in designing large circuits, debugging errors, MIPS and CPU-architecture.

[2014-15]

Technical Skills:

- **Programming Languages:** C, C++, Java, C#, Python, MIPS(assembly language)
- **Scripting Languages:** HTML, PHP, CSS, JavaScript(basic)
- **Software and tools:** MS office, Visual Studio, Netbeans, eclipse, Dev-C++, Code-blocks, SSH
- **Platforms:** Windows, Linux

Interests:

Algorithms, Data Structures, Networking, Web-Development

Other Activities:

- PC gaming (specially, Age of Empires, the Conquerors(aoe2) on Voobly client)
- Singing songs
- Playing Cricket and Chess
