Pukhraj Jain

+91 8292348644 | pukhraj.ee13@iitp.ac.in ,

Objective

· To do work in the field of Embedded Systems.

Education

INDIAN INSTITUTE OF TECHNOLOGY, PATNA

· Bachelor of Technology in Electrical Engineering
· CPI 7.46 till the 4th Semester.

MODERN SCHOOL, NOIDA

· Intermediate , Central Board Of Secondary Education(CBSE)
· 92.2% marks.

MODERN SCHOOL, NOIDA

· Matriculation , Central Board Of Secondary Education(CBSE)
· CGPI 9.0

Technical Skills

- Softwares   : MATLAB , Xilink ISE 13.4 , Netbeans.
- Programming Languages : C , Java.
- Operating Systems   : Windows , Linux.

Work Experience

- Summer Internship at Ventika Electronics Pvt. Ltd. :
  During the internship , I worked on the power supplies that converts AC voltage to a DC voltage according to the need . We developed multiple power supplies of varying DC output voltages. I also worked on Multiple Output Power Supplies.
